

Name _____

Online Book Search

Directions: Try using a website like *GoodReads.com* to search for titles by genre (or simply Google "Bestselling books"). Read reviews on books that look interesting. Next, compile a list of at least eight titles that sparked your interest. For each book also write a brief sentence describing why you might want to read that book.

Note: A book series only counts as one book

1.) Title: _____

Author: _____

Reason for Interest: _____
